**RE: State Fiscal Year 2015-16
Second Teaching Disproportionate Share Payment
Medicaid Number: 0101290-00 HCCCB Number: 100007**

Dear Mr. Houmann:

Your hospital has been determined eligible to receive the enclosed payment under the Medicaid Teaching disproportionate share (DSH) program. This determination is made based on the formula found in section 409.9113, Florida Statutes, as enacted by the 1993 Legislature, and in compliance with the requirements of federal law, including your certification that you are a provider of obstetrical services or that you meet the exceptions provided by federal law.

Payments are proportional to a hospital's relative effort compared to all other eligible hospitals for providing indigent and Medicaid care. Payments are made from a fixed sum of money. Thus, any adjustments to the amount received by one hospital affects the amounts received by all other hospitals.

The total of your scheduled second quarter payment (enclosed, if not electronically transferred) and any previous payments for this fiscal year represents 50% of your projected annual amount for the 2015-16 fiscal year, based upon an annual appropriation of \$65,673,522.

I would like to take this opportunity to thank you for your ongoing commitment to Medicaid beneficiaries and indigent persons in Florida. Your contributions to the provision of adequate and appropriate health care to Floridians in need are truly appreciated.

If you have any questions regarding the above, please call Nicole Linn or Ryan Perry of my staff at (850) 412-4287.
